Jenna	Sep 17, 09 7:43 pm	Agenda Item #5
Cody	Sep 17, 09 7:43 pm	be patient
Jenna	Sep 17, 09 7:43 pm	\\"Since this a a theatrical environment, the use of theatrical make-up will inevitably be considered for some performances. Blood capsules for something like a punch to the mouth, and small blood packs/special effects make-up that helps create the illusion of a wound should be acceptable when used sparingly, within the limitations of the story being told.
Jenna	Sep 17, 09 7:44 pm	Exploding blood bags, large quantities of blood, and effects that are expressly designed to graphically display gore for the sake of the shock factor should be discouraged. We do not want the general audience who attend our events to become witness to a blood bath performance. All members should take this into consideration while performing competitions, and street performances that are viewed by

jbhickok	Sep 17, 09 7:46 pm	We have a motion by Buckskin second by Linda. Dwayne has asked to speak
Dwayne C. Hagemeier	Sep 17, 09 7:46 pm	This rule is too broad and it leaves too much open for the opinion of the judges. a rule should be something cut and dry that all can read and understand without question as to rather what they are doing is acceptable or not.
Big Jim Keno	Sep 17, 09 7:47 pm	speak

Buckskin McNelly	Sep 17, 09 8:01 pm	The age old question of what is the difference between a rule and a guideline. Are we going to have two different sections on our website? Big Jim Keno	Sep 17, 09 8:01 pm	Teams that go too far will find that it carries consequences. They don\'t get many invites....
jbhickok	Sep 17, 09 8:02 pm	Molly
Buckskin McNelly	Sep 17, 09 8:02 pm	skipped jenna
MollybDam	Sep 17, 09 8:02 pm	So then the judges would gig the team for a bad skit it it was offensive?
MollybDam	Sep 17, 09 8:02 pm	finished
jbhickok	Sep 17, 09 8:02 pm	It would affect the score
Cody	Sep 17, 09 8:02 pm	yes
Dwayne C. Hagemeyer	Sep 17, 09 8:03 pm	speak
jbhickok	Sep 17, 09 8:03 pm	We have a motion, Is this a rule or guideline
Cody	Sep 17, 09 8:03 pm	u forgot Jenna
Jenna	Sep 17, 09 8:03 pm	i agree this should be a guideline. we\'ve done fine with the way we\'ve worked through this exact wording. finished

MollybDam	Sep 17, 09 8:04 pm	speak

MollybDam	Sep 17, 09 8:05 pm	I agree that the motion carries as a guideline and we call for the vote finished
Buckskin McNelly	Sep 17, 09 8:05 pm	Speak
Cody	Sep 17, 09 8:05 pm	Matt, u motioned a rule...right?

Dwayne C. Hagemeyer	Sep 17, 09 8:05 pm	I watched Wild and Wolly do a scalping. I thought it was great and well done. Others thought it to be too much. There is no way of anyone being able to know what is too much when you are planning a dramatic skit with the use of blood.
jbhickok	Sep 17, 09 8:06 pm	Buckskin
Buckskin McNelly	Sep 17, 09 8:06 pm	I just hate calling something a guideline. What does that mean to the public and to teams interested in joining. A rule is pretty darn obvious. finished
Big Jim Keno	Sep 17, 09 8:06 pm	speak
jbhickok	Sep 17, 09 8:07 pm	You may run into the same as we have in the past. One judge gigs for it another it\'s just fine
jbhickok	Sep 17, 09 8:07 pm	Big Jim
Buckskin McNelly	Sep 17, 09 8:07 pm	speak
Big Jim Keno	Sep 17, 09 8:08 pm	There is nothing obvious about deciding \'how much\'. This really needs to be a guideline. If a team violates a guideline, they will be hit hard on overall impression
MollybDam	Sep 17, 09 8:08 pm	speak
jbhickok	Sep 17, 09 8:08 pm	Buckskin
Buckskin McNelly	Sep 17, 09 8:08 pm	JB - That is the way it should be. Teams just have to adapt. At least with this as a rule teams will know that they are limited in what they can do.
Buckskin McNelly	Sep 17, 09 8:08 pm	Keno- how much is decided by the judges. finished.
Buckskin McNelly	Sep 17, 09 8:08 pm	speak

jbhickok	Sep 17, 09 8:09 pm	I think we should vote on the original from matt at a rule and finish this...finished

jbhickok	Sep 17, 09 8:10 pm	Yes to the motion.
